Event Overview

The Greater Moncton Santa Claus Parade was established by a group of community-minded volunteers in 1967 that had the vision to create this family friendly seasonal event. Over the years the parade has continued to grow to our current size of close to 100,000 spectators who line the streets of Moncton and Dieppe to enjoy the beautiful parade entries. This year the parade will celebrate our Festival of Lights on Saturday, November 25th at 5 p.m.

The parade is the largest in Atlantic Canada and the third largest in all of Canada! This community parade has continued to grow and evolve over the last 50 + years under the organizational watch of a dedicated committee of volunteers. As a non-profit organization the parade relies upon the generous financial support from our corporate community, municipalities and individuals, without whom the event would not be able to continue.

The Parade is a magical event that reaches out to the entire community; building the Christmas and Community Spirit that makes Greater Moncton such a wonderful place to live, work, grow and play.

VIP Meet & Greet

One week before the big event we will host 500 special guests at a family event where they get to meet Santa and Mrs. Claus and get their pictures taken with them on their floats. The event committee will preview our three key floats including Santa's Sleigh with Santa, Santa's Workshop with Mrs. Claus and our huge Christmas Tree Float with some of our cute and cuddly parade mascots.

Pre-Parade Family Fun Zones

On parade day we will present various Family Fun Zones along the parade route where families can enjoy some festive entertainment as they line up early to await the parade. Fun Zone activities will include live music and photo ops with parade mascots.
